British Pedagogy

Accomplish BIG Things With a
GROWTH MINDSET!
Success Begins With Believing You Can

Instead of Thinking...	Think This...
I can't do it.	I'm still learning. I'll keep trying!
I'm not good at this.	What can I learn to get better at this?
It's good enough.	Is this the best I can do?
It's too hard.	With more practice it will get easier!
I'm afraid of making a mistake.	Mistakes are how I learn & get better!
They are better at it than I am.	What can I learn from them?
I don't know how.	I can learn how!
I can't make this any better.	I can always find ways to improve!
I don't like challenges.	Challenges make me better!
I give up.	I'll try a different way!
